

the BirdBox project

Which bird lives in this nest 2?

Draw arrows to match the bird with the correct nest.

A A half Nest

B Nest in a hole

C A tunnel nest

Kingfisher

House Martin

Blue Tit

Diagram description: The image shows three types of bird nests (A, B, C) on the left and three birds (Kingfisher, House Martin, Blue Tit) on the right. Red arrows connect the nests to the birds: Nest A to Kingfisher, Nest B to House Martin, and Nest C to Blue Tit. Each connection is labeled with the bird's name in a green box.
